

Safeguarding Children for DSL Childminders (Zoom Session)

EYFS 21/004

Course Description:

This course will take place via Zoom Video Conferencing to support settings during the Covid-19 pandemic until such times we can safely deliver face to face training.

Instructions and a link to join the course will be provided by the trainer in advance of the Introduction session date. All learners will attend by Zoom video call as standard. Zoom is accessible on PCs, tablets and smartphones.

Please be aware, Zoom is not accessible via Buckinghamshire Council devices. To access this course you must ensure to have provided an email address which can be used from a non-Buckinghamshire maintained device.

Target Audience:

Early Years Practitioner, Designated Safeguarding Officer, Childminder

Learning Outcomes:

- Be more confident in your role of designated safeguarding officer
- Have updated your knowledge and understanding of how to recognise risk, respond to concerns and how to make a referral
- Have the tools to help you ensure that staff in the setting have the necessary information and training they need

How To Book:

You will need an account on our online booking system
