

Safeguarding for New Designated Safeguarding Lead

EYFS 21/0039

Course Description:

This course is for designated officers in group settings who are new to the role and lead on safeguarding children in their setting. It will provide the knowledge and skills to embed a consistent approach to the development and implementation of policy and procedures within the setting. It will focus on keeping staff 'up to date' and ensuring that the key message that 'child safeguarding is everybody's responsibility' is understood by all staff.

This course will take place via Zoom Video Conferencing to support settings during the Covid-19 pandemic until such times we can safely deliver face to face training.

Instructions and a link to join the course will be provided by the trainer in advance of the Introduction session

Target Audience:

Designated Safeguarding Officer, Childminder

Learning Outcomes:

- Confident in the role of designated Lead
- Know how to make a quality referral to First Response
- Work effectively with other agencies
- Create a safe working culture in the setting

How To Book:

You will need an account on our online booking system
